*Dreamtime Set in Stone – The Truth about Australian Aborigines, as requested by the Those-Who-Know, Wanjina Watchers* illustrations by Gina Sinozich, DVD by Goomblar Wylo.

*Dreamtime Set in Sand – More Truth about Australian Aborigines, as requested by the Those-Who-Know, Black Wanjinas* illustrations by Gina Sinozich, DVD by Goomblar Wylo.

*Dreamtime Set in Stars – The Truth about the Rajanes and AbRajanes, pre-Aboriginal races in Australia, as requested by the Those-Who-Know, DreamRaiser Wanjinas* illustrations by various participating artists, DVD by Goomblar Wylo.

Due to a violent Aboriginal response to the *Dreamtime Set in Stone* and the truth as told by Aboriginal elder and didgeridoo player Goomblar Wylo and the Those-Who-Know, Part 2: *Dreamtime Set in Sand* and Part 3: *Dreamtime Set in Stars* of the trilogy are being released in Europe.

As a consequence, the ModroGorje owners were attacked, harassed and bullied, and the *Wanjina Watchers in the Whispering Stone* sculpture by Benedikt Osváth repeatedly vandalised.

To avoid such despicable acts of cowardice by mindless thugs, *Dreamtime Set in Sand* and *Dreamtime Set in Stars* will be available in Australia once the problem of Aboriginal violence has been addressed and solved.
